MODEL UNITED NATIONS

Model United Nations Club

**With Ms. Karam
Middle School Only**

8 classes

Cost: \$130

The Model UN Club is an academic club that parallels the processes of the United Nations. Student delegates take on the role of real and fictionalized people or countries to solve real world problems through oral arguments, debate, negotiation, and consensus building. This club helps students develop a global and historical awareness of the world. Each week, the students will practice these skills through engaging games and activities.

They will learn and practice the procedures utilized during Model UN Conferences. We plan to attend a tri-state area Middle School Model UN conference and hope to attend an out of state conference as well. MSMUN is an academic club that may require students to complete assignments at home. If your child is interested in joining the Model UN Club, they must submit one paragraph expressing why they would like to be a part of the Model UN Club. Students will be selected based upon availability and their commitment to the club, as demonstrated in their responses.

A minimum of 6 students is necessary to open the class. Only current registrants accepted. (Max 20 students)
