FALL Middle School Enrichment

**BRAND NEW
CLUBS & ENRICHMENT PROGRAMS!
LOOKING FOR MODEL UN? REGISTRATION COMING SOON!**

**SEPT 8TH - DEC 11TH
3:50PM - 4:50PM**

School Closure Dates:

**10/19, 10/20, 10/21, 10/22, 10/23,
11/11, 11/25, 11/26, 11/27**

Enrichment programs will not run on these dates as the school will be
closed!

**CONTACT: JENNIFER MANTHEY
JMANTHEY@FAACADEMY.ORG**

**118 FERRY ST.
JERSEY CITY NJ 07307**

REGISTRATION DEADLINE AUGUST 26TH!

REGISTRATION INFORMATION

HOW TO REGISTER

OPEN THE GOOGLE FORM LINKED HERE.
FILL OUT AND SUBMIT THE FORM!

WHEN TO REGISTER

Enrollment starts on August 3rd and ends August 26th!

All enrollments on the Google Form are final. Your selection is final and will be charged to your account once the class is confirmed i.e. meets the minimum required number. You are still welcome to enroll your students in an Enrichment Class if there are spots available after the registration deadline.

Note that an automatic \$25 late registration fee will be applied after the deadline.

CLASS CONFIRMATION

Classes will be confirmed and charged on your portal as soon as the minimum number required is met. All classes will be confirmed and charged by August 28th. If a class needs to be canceled due to low enrollment, no charge will be deducted. You will be contacted directly if a class has been cancelled. If a class has exceeded the maximum capacity a waitlist will be formed. You will be contacted directly if you have been placed on the waitlist.

REFUND POLICY

There will be no full refund nor credits once a class is charged on your portal.
*In case of a child's absence due to medical or any other reason including but not limited to: quarantine, sickness, conflict in schedule, travel, etc, no refund/credit can be allowed in order to secure the continuity of the class for the rest of the group. In case of Field trips (overnight or day trip), there will be no credit applied as classes **MUST** run due to a mix of grades in each enrichment class.*

You may change your selection if the class has not been charged yet.

Competition Math Club

Competition Math Club

With Emmanuelle

12 sessions

Cost: Free!

Unlock your inner problem-solver! If you enjoy puzzles, logic games, and testing your skills on a global stage, this is the club for you!

This year, we are bridging the best of French and American mathematical challenges. Whether you love the fast-paced logic of the Concours Kangourou and Castor, the rapid-fire excitement of the Course aux nombres, or the prestigious puzzles of the AMC 8 and the French Olympiades, there is a challenge here for you.

No matter your goals, this club is shaped by your interests. Come explore, problem-solve, and discover just how far math can take you!

Un minimum de six élèves est nécessaire pour ouvrir ce cours (Max 20 élèves)

Libérez le mathématicien qui sommeille en vous ! Si vous aimez les casse-têtes, les jeux de logique et relever des défis à l'échelle internationale, ce club est fait pour vous ! Cette année, nous réunissons le meilleur des défis mathématiques français et américains. Que vous soyez passionné par la logique du Concours Kangourou et du Concours Castor, par le rythme soutenu de la Course aux nombres, ou par les défis prestigieux de l'AMC 8 et des Olympiades françaises de mathématiques, vous trouverez ici un défi à votre mesure. Quels que soient vos objectifs, ce club s'adapte à vos intérêts. Venez explorer, résoudre des problèmes et découvrir jusqu'où les mathématiques peuvent vous mener !

Enrichment Program TUESDAY - MARDI

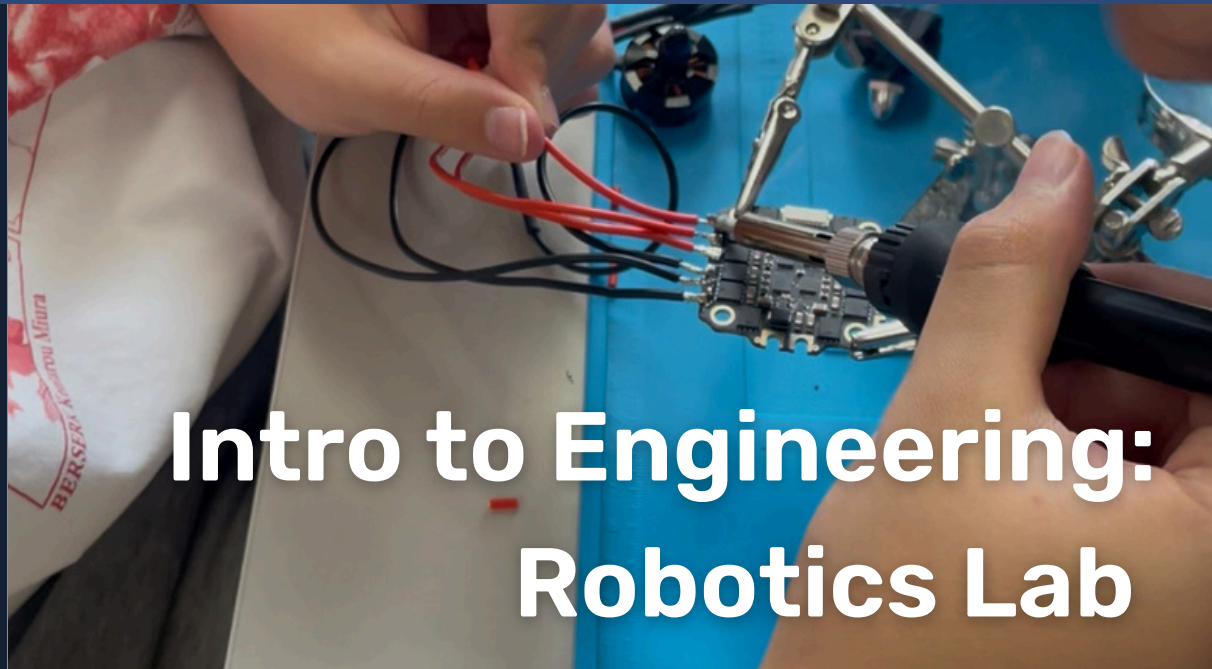

FLIGHT &
AEROSPACE
ACADEMY

Robotics Lab

Hosted by
Flight & Aerospace
Academy

13 classes

Cost: \$520

Intro to Engineering: Robotics Lab

Students learn to design, build, and fly their own radio-controlled machines. They start with the fundamentals of how a machine works, then progress toward flight, building up to cars, hovercrafts and drones as their skills develop.

Skills students build:

1. **3D Design & Printing:** Design custom parts in CAD software and print them on our 3D printer
2. **Electronics & Soldering:** Work with motors, batteries, and controllers, and understand how to solderpower becomes movement
3. **Assembly & Troubleshooting:** Build working machines with real tools, then diagnose and repair what does not work the first time
4. **Piloting:** Develop flying skills on our FPV drone simulators and our Cessna flight simulator before taking the controls
5. **Teamwork & Problem Solving:** Work through real engineering challenges in small groups, on a deadline

What students leave with:

A working understanding of how machines are designed, built, and flown, a portfolio of their own designs and builds, and the foundation to continue into our Cadet Program and the full Flight & Aerospace Academy pathway. Families are invited to a Demo Day at the final session, where teams present and fly what they built.

A minimum of 4 students is necessary to open the class.
(Max 12 students)

Afterschool Club TUESDAY- MARDI

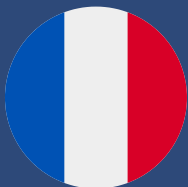

QUIZ!

Quiz Bowl Club

Quiz Bowl Club With Caroline

13 sessions

Cost: Free!

Challenge your mind and discover the excitement of academic competition! Quiz Bowl is a fast-paced team activity where students use a buzzer to answer questions spanning history, science, literature, mathematics, geography, the arts, and more. Through weekly practices, students will strengthen their critical thinking, teamwork, communication, and quick recall while exploring a wide range of fascinating subjects.

Middle and high school students will practice together, creating a collaborative environment where players can learn from one another while developing their academic skills. Since Quiz Bowl competitions are divided by age group, students will compete on separate middle school and high school teams. Our goal is to build a complete team for each division (a minimum of four students per team) and work toward representing our school at local tournaments, with the long-term aspiration of qualifying for regional and national competitions.

Whether your child already loves trivia and learning or is simply curious and eager to grow, this club is the perfect place to develop confidence, expand knowledge, and become part of an exciting academic team.

**Un minimum de 4 élèves est nécessaire pour ouvrir ce cours
(Max 6 élèves)**

Enrichment Program

WEDNESDAY- MERCREDI

BASKETBALL

Girls Team

**With
Florent**

**4:30pm-5:30pm
(Downtown; Bus will
leave the Heights at
4pm)**

11 classes

Cost: \$435

In this more advanced enrichment, students will continue to develop core skills—dribbling, passing, shooting, and man-to-man defense—and will also work on fast breaks, set plays, spacing, and overall basketball IQ. Coach Flo brings solid experience from coaching youth basketball in Europe (U11 to U15). Middle School Students will have the opportunity to join the FAA Dolphins team, which competes in the Hudson League in the fall and will take part in the Chicago Tournament in March, bringing together French-American schools from across North America. High School students may have the opportunity to compete in friendly games against other schools as we develop our varsity team.

A minimum of 10 students is necessary to open the class. (Max 16 students per group)

Dans cet enrichissement plus avancé, les élèves continueront à développer les compétences fondamentales – dribble, passe, tir et défense individuelle – et travailleront également sur les contre-attaques, les systèmes de jeu, l'espacement sur le terrain et la compréhension générale du jeu (basketball IQ). L'entraîneur Flo apporte une solide expérience acquise en entraînant des équipes de jeunes en Europe (U11 à U15). Les élèves du collège auront l'opportunité de rejoindre l'équipe des FAA Dolphins, qui participe à la Hudson League à l'automne et au tournoi de Chicago en mars, réunissant les écoles franco-américaines de toute l'Amérique du Nord. Les lycéens pourraient avoir l'occasion de participer à des matchs amicaux contre d'autres écoles, dans le cadre du développement de notre équipe varsity.

Enrichment Program

WEDNESDAY- MERCREDI

Drama

Drama

With Pascale

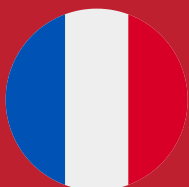

11 classes

Cost: \$435

We all have a body, a voice, emotions, and stories to share. In drama class, students explore acting, movement, voice, and improvisation while learning to express themselves with confidence and creativity. Through games, scene work, and collaboration, they build communication skills, empathy, and teamwork. Along the way, they discover more about themselves and the world around them—all while having fun on stage.

A minimum of 6 students is necessary to open the class. (Max 20 students)

Nous avons tous un corps, une voix, des émotions et des histoires à partager. En cours de théâtre, les élèves explorent le jeu, le mouvement, la voix et l'improvisation tout en développant leur confiance et leur créativité. Grâce aux jeux, aux scènes et au travail d'équipe, ils renforcent leur communication, leur empathie et leur esprit de collaboration. Tout au long du parcours, ils apprennent à mieux se connaître et à s'exprimer tout en prenant plaisir à monter sur scène.

THURSDAY- JEUDI

Cooking Around The World

With
Pascale

11 classes

Cost: \$435

Cooking Around The World

Pack your bags - we're cooking our way around the world! Each week brings a new country and a new traditional recipe, from the familiar to the delightfully new (but always delicious). Kids build real kitchen skills - chopping, rolling, measuring, cracking eggs, doing dishes, and more -while learning to work together like a true kitchen crew. Everyone takes home their own cookbook of the recipes we make.

A minimum of 5 students is necessary to open the class. (Max 10 students per group)

Préparez vos valises – nous partons pour un voyage culinaire autour du monde! Chaque semaine, les élèves découvrent un nouveau pays et réalisent une recette traditionnelle, des grands classiques aux découvertes gourmandes toujours délicieuses. Ils développent de véritables compétences en cuisine – couper, rouler, mesurer, casser des œufs, ranger et bien plus encore – tout en apprenant à travailler ensemble comme une véritable équipe en cuisine. Chaque élève repart avec son propre livre de recettes regroupant toutes les créations réalisées au cours de l'atelier.

Afterschool Club THURSDAY- JEUDI

Student Leadership & Service Club

Student Leadership & Service Club

With
Jennifer

11 classes
4:30-5:30PM
Downtown Campus

Cost: Free!

The Student Leadership & Service Club offers students the opportunity to earn community service hours while gaining hands-on experience in leadership, organization, design, and communications. Students will work alongside the extracurricular director to support after-school programming through projects such as organizing materials, developing enrichment ideas, designing flyers using Canva, creating activities for younger students, and producing a monthly student newsletter. Members will build practical skills in teamwork, creativity, project planning, and communication while making a meaningful contribution to the school community.

This club will accept 5 students per season, students will earn 8 hours of community service by participating in this program.

Enrichment Program

FRIDAY - VENDREDI

Aikido

Aikido

With
Remi

12 classes

Cost: \$465

Aikido is a Japanese martial art that combines movement, focus, and self-discipline. Inspired by traditional samurai techniques, it is often described as an “art of peace” because it emphasizes cooperation rather than competition. Students learn how to move with confidence, improve their balance and coordination, and develop concentration and self-control. Through partner-based practice, aikido encourages respect, perseverance, and personal growth while providing a fun and engaging physical activity. Whether students are new to martial arts or already have experience, aikido offers a unique opportunity to strengthen both body and mind.

A minimum of 5 students is necessary to open the class. (Max 10 students)

L'aïkido est un art martial japonais qui combine mouvement, concentration et discipline personnelle. Inspiré des techniques traditionnelles des samouraïs, il est souvent décrit comme un « art de la paix » car il met l'accent sur la coopération plutôt que sur la compétition. Les élèves apprennent à se déplacer avec confiance, à améliorer leur équilibre et leur coordination, tout en développant leur concentration et leur maîtrise de soi. Grâce aux exercices en partenariat, l'aïkido encourage le respect, la persévérance et le développement personnel tout en offrant une activité physique ludique et enrichissante. Que les élèves découvrent les arts martiaux pour la première fois ou qu'ils aient déjà de l'expérience, l'aïkido leur offre une occasion unique de renforcer leur corps et leur esprit.
